Attachment F: Comments of Resident Advisory Board

Fire Drills and a Storm Shelter were at the top of the list of concerns. They stated that hearing the towns warning Sirens are hard to hear inside when TV and thing were on. Some of the Alarms outside the Apartments at Ridgewood Manor were weak. Storm Shelter. They would like to have the furnace filters changed more often that every 6 months. A few wanted to have Beauty Shop equipment at the Ridgewood Manor for operators to do their hair here. The heater in the Stairwell at the south end of Ridgewood is not working. Some feel this is ok as it is too hot upstairs anyway, others want it replaced. Yard concerns were brought out. Maintenance of Sprinkler system/water schedule. Drainage at the southwest corner of Ridgewood Manor needs attention. Water is not running away from the building.

PHA Response

Will contact Fire Chief to see about having regular fire drills. Check into having town sirens hooked up to our alarm system. Will be doing a check of alarms outside rooms and making proper adjustments. Storm Shelter is not necessary. Hallways built for storm shelter. Will be changing furnace filters every 3 months. The Beauty Shop is not necessary. Will replace heater in stair well. Will be taking soil samples of yard to determine cause of problem – whether nature or man made problems. Sprinkler service from qualified person – check into more appropriate watering schedule. Need additional drain pipes at end of drainage system to carry water away from the building.
